

CRAFT YOUR MEMORIES

An Event Content Creator is a dedicated, specialised second shooter for your occasion, be it a wedding, celebration, or corporate event. They focus exclusively on capturing authentic, candid, high-volume footage that is perfectly optimised for social media, such as Reels and Stories.

Unlike traditional videographers, they capture the immediate buzz, behind-the-scenes moments, and viral-style clips that often get missed.

EXTRA SPECIAL

THE HIGHLIGHT REEL PACKAGE

This budget-friendly option delivers a powerful, beautiful highlight video and imagery that perfectly summarises your event's key moments, making it ideal for immediate social media sharing.

From £250

THE LIVE & UNCUT PACKAGE

For a truly immersive experience, this package focuses on capturing all your key moments, including pre-event snippets, the ceremony, speeches, formal family portraits, the cake cutting, and the party. I'll also capture authentic, behind-the-scenes moments to give your audience a true "you-are-there" feel.

From £350

THE LEGACY PACKAGE

Go beyond short highlights with this comprehensive content suite. I'll create an evergreen content library from your event, including speaker talks, attendee testimonials, and professional photos for you to use for years.

From £599
